Pursuant to Article 193-2, Section 1, of the Financial Instruments and Exchange Law of Japan, we have audited the consolidated balance sheet, the consolidated statement of income, the consolidated statement of changes in net assets, the consolidated statement of cash flows and the consolidated supplemental schedules of Nissan Motor Co., Ltd. included in "Financial Information" for the fiscal year from April 1, 2007 to March 31, 2008. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in Japan. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Nissan Motor Co., Ltd. and consolidated subsidiaries at March 31, 2008 and the consolidated results of their operations and their cash flows for the year then ended in conformity with accounting principles generally accepted in Japan.

We have no interest in the Company that should be disclosed pursuant to the provisions of the Certified Public Accountants Law.
