Nissan appoints new leadership: CEO and senior management changes announced

Nissan Motor Co., Ltd. today announced changes to its senior management, introducing a significantly renewed leadership line-up to achieve the company's short- and mid-term objectives while positioning it for long-term growth.

Effective April 1, the board of directors has approved titles and areas of responsibility for the representative executive officer and executive officers. Ivan Espinosa, currently the chief planning officer, has been appointed as the representative executive officer, president, and CEO, succeeding Makoto Uchida..

Nissan unveils advanced driverless technology

Nissan Motor Co., Ltd. today showcased its latest autonomous-drive (AD) technology in Yokohama's Minato Mirai area. For the first time in Japan, a test vehicle with no driver in the car has navigated a public road in a complex urban environment. Nissan has developed this proprietary technology for a mobility service it plans to launch in Japan.
