- Nissan to launch next generation of autonomous driving technology in FY2027
- Nissan Formula E Team takes double pole, podium and victory in intense home Tokyo event
- All-New Nissan MICRA EV debuts ahead of European launch
- Nissan receives over 17,000 orders for new N7 sedan in first month of sales

Unveiling the true essence of Re:Nissan

Re:Nissan is an action-based recovery plan grounded in a clear-eyed assessment of Nissan's current state and the necessary steps to achieve our goals.

The name "Re:Nissan" emphasizes our recovery and return to the path of growth and ultimate revival. We are at a critical "stand or fall" moment, and the new management team has chosen to "stand" with a series of actions and decisions essential for Nissan's continuity.

Nissan receives over 17,000 orders for new N7 sedan in first month of sales

Nissan's joint venture partner in China, Dongfeng Nissan Passenger Vehicle Company (Dongfeng Nissan), today confirmed that orders for its all-new N7 EV sedan reached 17,215 units in the first month of sales.

Launched on April 27, the all-new N7 is the first of nine new energy vehicles (NEVs) that Nissan plans to launch in China by the summer of 2027. Deliveries in China began on May 15.

Key Highlights:

- Dongfeng Nissan's all-new N7 sedan secures 17,215 orders in first month
- Sleek EV sedan attracting new buyers to brand in China with 70% of orders first-time Nissan owners
- N7 supports Nissan's revised product strategy under the Re:Nissan recovery plan

The N7 will strengthen Nissan's performance in China and beyond. Confirmed for future export from China, it will help meet diverse global needs and bolster the restructuring of Nissan's product strategy under the Re:Nissan recovery plan.
