Change (B-A)	-	-	-	-
Change (%)	-	-	-	-
(Ref.) FY2024 results (Semi-annual Period)	5,984,221	32,908	116,057	19.47

2. Background on consolidated financial forecast for the first half of fiscal year 2025

Based on recent business performance trends, the first quarter results of fiscal year 2025 and the forecast for the second quarter of fiscal year 2025, the Company announced its consolidated financial forecast for the first half of fiscal year 2025. While forecasts for net sales and operating profit for the first half of fiscal year 2025 have been disclosed, it is currently difficult to estimate the forecasts for net income attributable to owners of parent and basic earnings per share. Therefore, the forecasts for these figures have not been determined at this time.

The fiscal year 2025 consolidated financial forecast remains unchanged.

Reference: Consolidated financial forecast for fiscal year 2025 (April 1, 2025 through March 31, 2026) (Announced May 13, 2025)
