

Let's Color In!

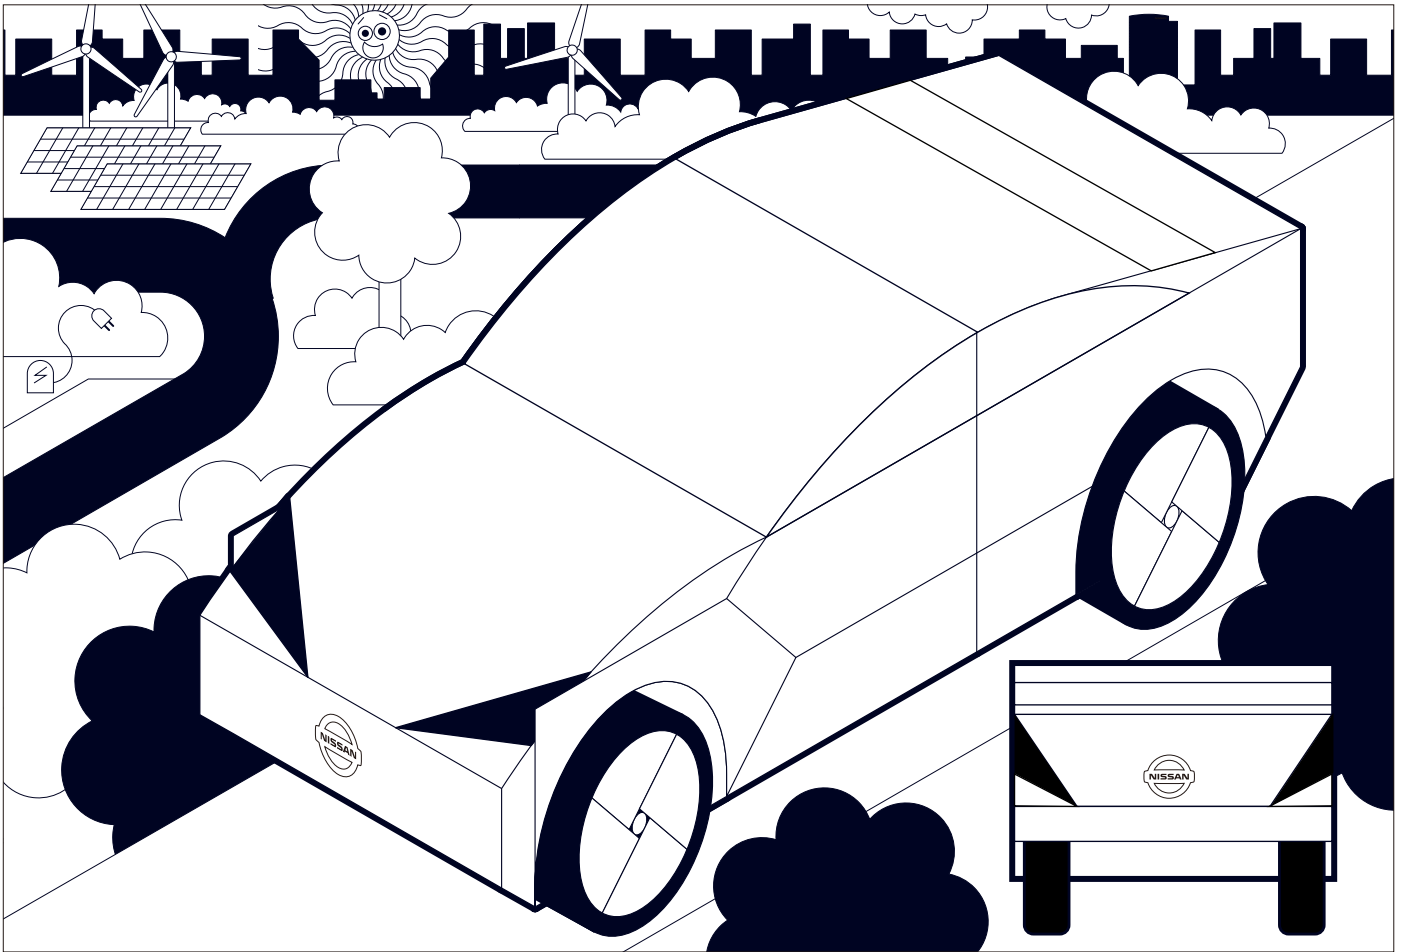

You can see the car you designed in a 3D movie!

There are so many ways to have fun with the app!

Tips on How to Play

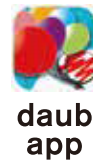

- 1 Design your own original car by coloring in the picture! Color both the diagonal and back parts of the car.

▼ Once you've finished your picture, open the app and scan it using your phone's camera!

- 2 Scan the QR code with your smartphone to download the daub 3D coloring AR app. Or search for "daub"!

Activity available until December 15, 2024

App Store

Google Play

- 3 Launch the app and use your phone's camera to scan the picture of the car. Your video will start automatically!

Recommendations

- 1 If you want to try different designs, just print out more copies of the picture or make your own design on paper.
- 2 Share your car designs on Instagram with the hashtag #NissanPlantTour
