

Connected & integrated user experience

Connected & integrated user experience

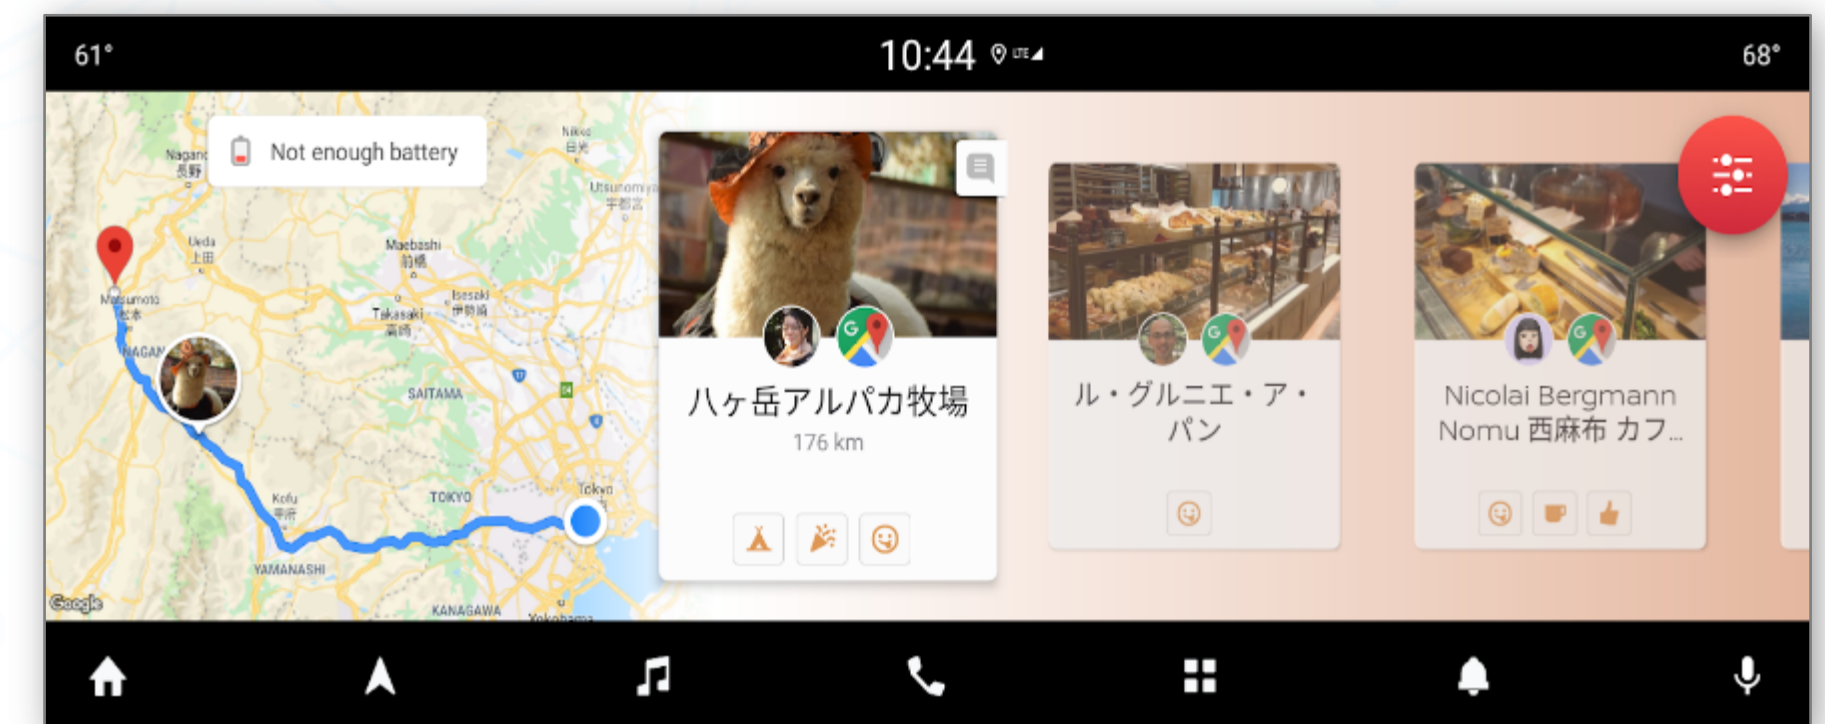

- Nissan app provides frictionless experience of planning & navigation to enhance the driver's and passengers' enjoyment of traveling together
- Seamless, integrated experience
 - Links to 3rd party applications to make trip planning smoother
 - IVI syncs with smartphones
 - Destination list sharing with family and friends
 - IVI for everyone

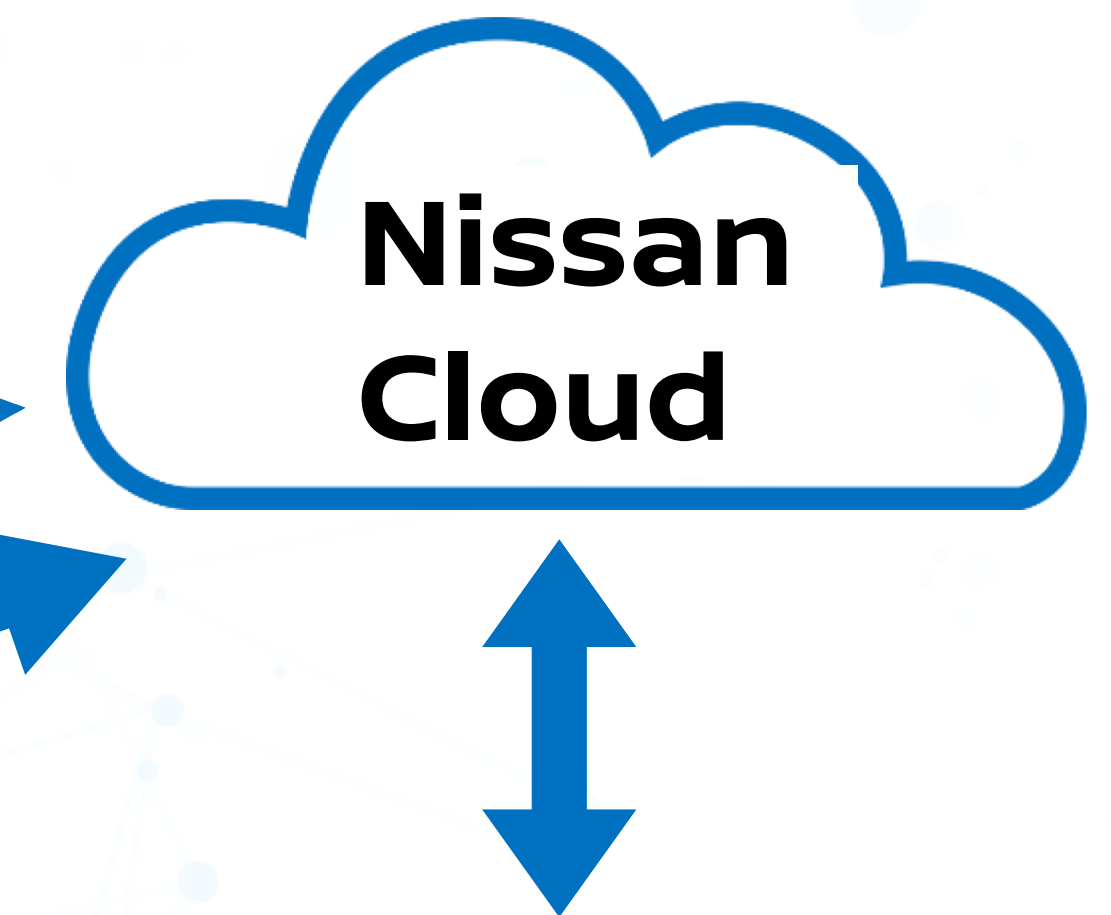

3rd Party Applications
(Google Maps & Tabelog)

Nissan multi-user smartphone app

In-vehicle Infotainment system (IVI)

The logo features the word "NISSAN" in a bold, black, sans-serif font. To its right is a small icon consisting of three blue curved lines above a black square. This is followed by the word "INTELLIGENT" in a bold, black, sans-serif font, and finally the word "MOBILITY" in a bold, black, sans-serif font with a large, stylized 'M'.

NISSAN  INTELLIGENT **MOBILITY**
