

Connected & integrated user experience

Seamless Consolidated Display

- Seamlessly consolidates instrument panel information (speedometer, etc.) together with GPS and other information services

- Elegant and easy-to-use figure-S design motif
- Unified design creates an advanced impression
- Clear & simple indication supports intuitive operation
- User can easily customize displayed information

The logo features the word "NISSAN" in a bold, black, sans-serif font. To its right is a small icon consisting of three blue curved lines above a black square. This is followed by the word "INTELLIGENT" in a bold, black, sans-serif font, and finally the word "MOBILITY" in a bold, black, sans-serif font with a large, stylized 'M'.

NISSAN  INTELLIGENT **MOBILITY**
